**Site List**

- Site 1 = Arrowhead Regional Medical Center
- Site 2 = Children's Hospital of Los Angeles
- Site 3 = Fullerton Neurology and Headache Center
- Site 4 = Parkinson's & Movement Disorders Institute
- Site 5 = InnovAge/ PACE Clinic, Neurology of Aging

**Possible Electives (All located at Site 1)**

- Neurology of Aging
- Neuro-Infectious Disease
- Neuro-Oncology
- Neuro-Ophthalmology
- Neuro-Otology
- Neuro-Pathology
- Neuro-Rehabilitation
- Pain Management
- Psychiatry/Memory & Behavioral Disorders

**Notes**

Residents have weekly half-day longitudinal neurology outpatient clinic **EXCEPT PGY1 year.**

Vacation: Residents may take vacation up to 20 days/year during, iNEU, ONSC, CNP, CN, HA, Elective and RES.

**Rotations:**

- CN = Child Neurology
- CNP = Clinical Neurophysiology (*outpatient EEG, EMG/NCS*)
- CR iNEU = Chief Resident of Inpatient Neurology (*attending comparable responsibility Neurology Consult Service*)
- CR NCC = Chief Resident of Neurocritical Care (*attending responsibility critical ill Neurology/Neurosurgery patients*)
- CR CNP = Chief Resident of Clinical Neurophysiology Care (*attending comparable responsibility Neurophysiology*)
- CR ONSC = Chief Resident of Outpatient Subspecialty Clinics Care (*attending comparable responsibility*)
- EM = Emergency Medicine
- HA = Headache
- IM = Internal Medicine (*primary responsibility providing responsibility hospitalist Internal medicine service*)
- iNEU = Inpatient Neurology (*Neurology Consult Service*)
- MICU = Medical Intensive Care (*Critical Care Medicine*)
- MOV = Movement Disorders (*Outpatient Parkinson's Disease & other movement disorders*)
- NCC = Neurocritical Care (*primary responsibility critically ill Neurology & Neurosurgery patients*)
- nRAD = Neuroimaging
- \*ONSC = Outpatient Neurology Subspecialty Clinics (*Behavioral Neurology (Memory Disorders), Epilepsy, Neuromuscular, Neuro-Immunology (Multiple Sclerosis, and Vascular Neurology (Stroke))*)
- PSY = Psychiatry/Memory & Behavioral Disorders
- RES = Research
