

SCHOOL OF MEDICAL TECHNOLOGY

The information on this page is subject to change and is updated at the close of each application cycle AND goes into effect immediately for the next application cycle. It is the responsibility of the applicant to stay up to date with the stated requirements for the cycle in which they are applying.

The Program:

The School of Medical Technology of Arrowhead Regional Medical Center operates within the Clinical Laboratory. Since the program's re-accreditation in 2007, our students have a pass rate of 100% on the ASCP BOC certification exam as well as a 100% graduation and placement rate. The laboratory performs approximately 4.2 million tests annually, providing students with a diverse experience during their training. The Laboratory is accredited by the College of American Pathologists and the California Department of Public Health. The Program is accredited by the California Department of Public Health, Laboratory Field Services, and the National Accrediting Agency of Clinical Laboratory Sciences [(NAACLS), 5600 North River Road, Ste.720, Rosemont, IL, 60018-5119. Phone (772)-714-8880; www.naacls.org].

Program Outcomes:
